Dr. Niles' presentation will address

- the current career challenges confronting workers today and will offer simple and effective techniques for helping others learn how to manage their careers in complex times.
- Drawing upon key career development assumptions, the presenter will highlight essential facts for fostering positive career development in the 21st century.
- Dr. Niles is a Professor and Department Head for Counselor Ed., Counseling Psych., and Rehab. Services at Pennsylvania State University. He's also the Director of the Center for the Study of Career Development and Public Policy at Penn State!
- What better credentials to help us navigate through these rough times not only for ourselves, but to also help those workers around us! Currently he is the Editor of the *Journal of Counseling and Development*, and has authored or co-authored approximately 95 publications and delivered over 90 presentations on career development theory and practice.
- Counselors, school counselors and career practitioners will benefit from his presentation!

If you registered for earlier date (4/24) please see instructions on OCDA web site <http://ocdaonline.org/>
